

As part of your employee benefits package, we have enrolled you in a Diathrive membership at no cost to you!

Your benefits include:

- **Unlimited glucose testing supplies**
- **Unlimited access to a Health Advisor**
- **Unlimited access to diabetes education**

You will receive your Diathrive Starter Kit in the mail, including instructions on how to get started, reorder, and how to connect with a Health Advisor. Watch for some emails and text messages to assist with the onboarding process.

As part of your employee benefits package, you have access to insulin pen needles at no cost to you!

Insulin Pen Needles

Available Sizes

- 4mm / 32g
- 5mm / 31g
- 6mm / 31g
- 8mm / 31g

Compatible with most insulin pens

Premium Features

- **Triple-bevel cannula** - optimal perforation and easy penetration. So sharp you won't feel a thing!
- **Silicone lubricant coating** - coated for a smooth, painless experience. Comfort unmatched by any other.
- **Thin wall technology** - better insulin flow and less injection pain. Less pressure required for injection and reduced risk of insulin leakage.
