

Q: Why Hero Health?

A: The status quo is unsustainable- and our Plans are proven to improve health outcomes and wealth incomes. It's not if, but when, you will change to a more efficient and effective approach. We're here to help.

Q: Who do you partner with?

A: We are very fortunate to work with the leading employer organization in North Carolina, Catapult. Hero is helping educate and train over 2,500 mid-sized businesses on how to improve their health plan.

Q: Who qualifies?

A: Companies with 25 or more Employees on their Plan.

Q: How is it different?

A: We begin with better care, lower costs and more control. Better care through advanced primary care, virtual care, surgical Centers of Excellence and specialty clinics in our direct contract network. Next, lower cost because our contracted price is far less than your status quo PPO. More control begins with total transparency and actionable data. Unlike your carrier, Hero believes that your data actually belongs to you.

Q: Why do Employees like Hero Health?

A: Your status quo deductibles are more than many Employees have in savings. One trip the hospital and they are in financial jeopardy. Hero Health offers many \$0 Out of Pocket options. People also appreciate being treated fairly and with dignity- which is often lacking in the status quo system. We don't send you to a website like your carrier does. Instead, we have very helpful Nurse Navigators actually talk with your members.

Q: What do CEOs say about Hero Health?

A: "Wish we would have joined sooner." "Better benefits gives us a big advantage in the competition for talent." "Fits our company culture."

Q: Why do HR Executives like Hero Health?

A: "Attraction and Retention." "We enjoy sharing ideas with other companies." "Helps Morale and Productivity."

Q: Why do CFOs like Hero Health?

A: "Pay what you owe helps us with Cash Flow." "Grows EBITDA." "More Control." "We like having good data."

Q: How many Plans does Hero Health offer?

A: We have a Network PPO and an Open Plan. Both take advantage of Self-Funding and Group Captives.

Q: How much will our Plan save?

A: On average, clients spend 25% less on health insurance while providing much better health care.

Q: What do we need to provide in order to receive our Hero Health Quote?

A: Current Census in Excel

Q: In conclusion, why Hero Health?

A: It all comes down to the 5 Cs: Communication, Care, Costs, Control and Culture.

Our clients love their Nurse Navigator and Pharmacist Communicating with Members about getting better Care. Our direct contracts deliver much lower Costs. We share all your data and make it actionable- for much more Control. With the competition for talent, it is also important to note how Culture improves with Hero's many \$0 Out of Pocket options that empower Employees.
